# Wisdom Abioye Abdulhakeem

Developer at Exclusive Platform

Nigeria

## Summary

Wisdom Abioye is a freelance developer, a promoter and an environmentalist who is currently working on Exclusive Platform. Being a promoter and cryptocurrency enthusiast, he recently developed Airdrop AI - a platform for hosting airdrops, contest and giveaways which is part of the Exclusive Platform ecosystem. Wisdom is a fast learner and very skilled in blockchain application and integration. When he is not coding he enjoys playing games, going cinemas and travelling.

---
